

Temagami

Wilderness Canoe Trips Since 1893

May 9, 2012

Hon Dalton McGuinty
Room 281, Main Legislative Building,
Queen's Park
Toronto, Ontario M7A 1A1

Dear Premier McGuinty,

I am writing on behalf of Camp Keewaydin on Lake Temagami and the Wolf Lake Coalition to extend a special invitation to you. It would be an honour for us to host you and your family on a canoe trip to beautiful Wolf Lake this summer. Please join us as we swim in Wolf Lake's clear waters, climb its rocky ridges, paddle through its morning mists, and relax in the shade of its ancient pines.

We know that you enjoy canoe trips, so we are confident that you will appreciate Wolf Lake, one of Ontario's most picturesque and ecologically unique places.

Camp Keewaydin has been guiding youth on canoe trips in Ontario's wilderness, including Temagami's Wolf Lake, since we opened in 1893 and we have been paddling Wolf Lake since 1905. Since then, over 16,000 youth have benefited from our wilderness canoe tripping experience and the leadership development, healing, and educational experiences it offers.

We hope that you will join us in visiting one of our favourite and most cherished places.

Sincerely,

Bruce Ingersoll
Camp Keewaydin Director
For the Wolf Lake Coalition
